All of these burglaries appear linked and enquiries are in process. In relation to the burgalries a further report of a suspicious Blue Ford Fiesta VRM **KT03NHN** with 4 males was seen on the night of 9th October driving around the Lealholm area, Concerned residents and customers from the Board Inn noticed males on that evening and there was a suggestion that at least 2 males were out of the car and on foot close to the buildings burgled. When these males were challenged they made off and the vehicle was last seen heading towards Danby Beacon. Local Officers are keen to take any reports of the suspect Ford Fiesta mentioned or another linked Red Citroen Xsara R641PKV should any members of the community observe them in the area.

- Approx 1300hrs **13th October** A suspicious White Transit Flat back Van VRM BFOSYHM reported by a local resident at Ghyll Brow. Appeared to be looking for scrap and looking into properties. Vehicle had just been stop checked in the Egton area by Officers on Op Hawk patrol. Any further sightings would be of interest to Local Police.

5.3 For Information

5.3.1 Letter of appreciation – visitors stay in local area.

- **Members informed of letter received from recent visitor to this parish who has taken the trouble to register his pleasure at the helpfulness and friendly treatment experienced from his hosts and the operators of the 99 bus service during their stay. It is rare these days for anyone to take time and trouble to put pen to paper in this way and copies of the letter have been forwarded to both the accommodation host at Wild Slack Farm and to M & D Coaches who operate the 99 service. It was also suggested that the letter be retained as indication of the value that local bus services provide and the potential they have for supporting the local economy by encouraging visitors to return.**

7. MATTERS OF INTEREST RAISED BY MEMBERS

- **No matters raised from members present.**
- **Request heard from member of public present regarding lack of footpath on Lealholm bank between Ellergates and the station access road. Children making their way to the station on the way to and from school each day are forced onto the road at this point and this is an obvious safety hazard. Discussions held as to potential solutions and regarding the likelihood of NYCC constructing a footpath at this location. The matter will be raised with NYCC but as a short term solution Clerk is to request the verges contractor to cut the vegetation back at this point to allow pedestrians an easier path on the verge itself.**

8. DATE OF NEXT MEETING : Will be on Thursday 21st November 2013, commencing at 7.30pm, and will be held at The Robinson Institute, Glaisdale.
