Tues 29<sup>th</sup> Nov 4pm to 6pm - Hutton Rudby Village Hall, Belborough Lane  
TS15 0HP  
Thurs 8<sup>th</sup> Dec 3.30pm to 5.30pm - Market Weighton Community Hall,  
Station Road, YO43 3AX

Learn more about what Community Led Housing is, and how it could help your local community.

Plan affordable homes for local people - create a diverse, mixed-age community that can support your village school, pub, post office and shop.

The workshops will give you an opportunity to meet experts, people who have experience of setting up Community Led Housing (CLH) projects and other local people interested in the idea.

In an informal setting - it will be a chance to discuss issues and have your questions answered.

Hear about case studies - how CLH schemes have developed, the pitfalls and the successes.

Understand the next steps - how to test whether a CLH project could be developed in your area.
