Chairmans' Report :-

### ***Welcome to the Annual Assembly of your Parish Council.***

Council meetings have been allowed to be held once again back in the Robinson Institute with social distancing measures in place.

Due to the last Annual Assembly having only been held in May of last year and also due to the ongoing effects of Covid disrupting activities, there has been very little going on around us.

The footpath we are creating from The Gables down to the tennis courts has started and is currently ongoing with work having started in mid March. The link path from Park View down to the highway opposite the village shops is also ongoing and will be completed soon.

We have two new seats for installation as soon as weather permits.

I would like to thank my fellow councillors for their help and support throughout the year and give a big thank you to Dave Palmer our hard working Clerk for keeping us well organised and informed.

Thank you.

Stuart Thompson, Chairman, Glaisdale Parish Council.

## 1. County / Borough Councillors' Reports.

### District Cllr:

County Councillor : Cllr Clive Pearson offered a short review of NYCC council activity - being a councillor for this electoral area.

The pandemic restrictions during 2021/22 have meant that many people are still working from home but work has proceeded without a lot of impact.

Many funding groups have been set up and supported to assist with covid mitigations throughout the year and the proposals to create a single unitary authority have come to pass and so a lot of urgent effort has been expended to push this process through its various stages in readiness for completion for April 2023.

Councillor Pearsons 'Localtiy Budget' has supported many local services and community groups and this will continue in the coming year.

### Matters raised by electors.

The chairman thanked those present for attending and closed the Assembly at 19.15hrs.
