---

Signed as a true record : .....(Chairman )

DATE : .....

## **5. CORRESPONDENCE**

### **5.1 Action / Reply**

#### **5.1.1** Parliamentary enquiry and call for evidence on restriction of recreational motor vehicles (eg 4x4s, quads & motorcycles) re their use on/in Green Lanes, National Parks and AONB's. This in response to the Glover Landscapes Review.

- Members advised that this report was received only one week ago with a response deadline of 20<sup>th</sup> July. This council had responded to the 2022 review and the results of that consultation revealed that, like this council, 76% of parish and town councils would like to see legislation brought in to curb the use of motor vehicles on green lanes.
- This latest consultation asks for evidence to be submitted to support the introduction of such legislation. This evidence should take the form of letters from affected individuals and landowners, images showing the damage caused by off road vehicles, as well as how such use deters other users from enjoying these lanes and byways.
- Members thought that the deadline for producing such evidence was ridiculously inadequate and so this council should inform the parliamentary body that they should rely upon the evidence provided to the original consultation in 2022.

#### **5.1.2** Council IT Policy requirement for Town & Parish Councils.

- Members advised that Clerk is compiling a new IT policy for GPC which will be ready for approval and adoption at the September meeting. The new policy will introduce a change to existing practice in relation to use of email accounts when responding to parishioner queries. Clerk to set up new members email facilities in time for September.

### **5.2 Minutes & Reports**

None Received.

### **5.3 For Information**

#### **5.3.1** Mobile Library Service for N Yorkshire will inspect the proposed site for suitability on 14<sup>th</sup> or 15<sup>th</sup> July.

- Noted.

#### **5.3.2** Remote Attendance and Proxy Voting consultation response for local authorities (including parish and town councils)

- Noted - It was understood that this consultation result is merely to inform councils of the possibility of such legislation being introduced and of the thoughts and views of other councils who responded to the consultation in October 2024.
- Members advised of this potential change in legislation to allow the remote attendance (via video link) of councillors at council meetings and of the potential introduction of Proxy voting when decisions are taken at a meeting where not all members are present.

**Newsletters received :** None

**Publications received :** Clerks & Councils Direct – July issue

## **6. REPORTS OF MEETINGS ATTENDED - None attended**

## **7. MATTERS OF INTEREST RAISED BY MEMBERS - None raised.**

- **DATE OF NEXT MEETING :** Thursday 18<sup>th</sup> September 2025 at the Robinson Institute. The meeting will commence at 7.30pm.
